Docket No. ACR2016

NOTICE OF THE UNITED STATES POSTAL SERVICE OF FILING  
OF A REVISED VERSION OF USPS-FY16-NP2 -- ERRATA  
(January 19, 2017)

The Postal Service hereby gives notice of filing of a revised version of the material indicated below as part of the **Non-Public Annex** in this proceeding:

**USPS-FY16-NP2                      FY 2016 International Cost and Revenue Analysis  
(ICRA) Report (Hard Copy and Excel)**

A description of the revisions can be found at the end of the revised Preface to USPS-FY16-NP2. Since only eight of many files in USPS-FY15-NP2 are revised, the disk provided is a supplemental disk, containing only a revised Preface and the revised files. None of the revisions to USPS-FY15-NP2 alter the nonpublic nature of its contents. The text on pages 12-13 of the FY 2016 ACR indicates that Inbound Letter Post from Target Countries covered its costs, while Inbound Letter Post from Transition Countries did not. As a result of one of today's revisions to USPS-FY16-NP2, that text will need to be revised to indicate that neither of those two categories covered costs in FY 2016, although the Table on page 12 (showing an aggregation of the two) remains accurate. Appropriate revisions to those two pages of the ACR will be forthcoming. Other

revisions relate to inquiries posed in various Information Requests.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorney:
